***INFORMATION DISCLOSURE STATEMENT***

Applicant submits herewith patents, publications or other information, of which Applicant is aware that Applicant believes may be material to the examination of this application, and in respect of which, there may be a duty to disclose. The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. § 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. (Notice of January 9, 1992, 1135 O.G. 13-25, at 25.)

This information disclosure statement is accompanied by the Search Report from French International Search Authority dated May 18, 2006, Form PTO/SB/08 (substitute for Form PTO-1449) and legible copies of all cited foreign patent documents. Pursuant to Notice of August 5, 2003, copies of cited U.S. patent documents and publications are not enclosed.

**B1 — German Patent DE 296 10 435 U1**

DE 296 10 435 U1 teaches a variable pitch connector (a) that connects a sloped rafter (5) to a top plate (2) disposed cross-wise to the rafter (5). The connector has a rafter contact surface (32) that supports the rafter (5). The rafter contact surface (32) is supported by and connected to the top plate (2) by a u-shaped, base member (12) at one end, and an adjustable, supporting base member (52) and extension member 54 at the other end of the rafter contact surface (32).

The person making this certification is the practitioner who signs below on the basis of the information supplied by the inventor(s) and in the practitioner's file.

As far as is known to the undersigned, this Information Disclosure Statement is being filed before the mailing of a first Office action after the filing of a request for continued examination as set forth in 37 C.F.R. § 1.97(b), and therefore no fee is required. While no fee is believed to be due, if this belief is in error the Commissioner is authorized to charge any additional fees, including extension fees or other relief which may be required for this paper, or credit any overpayment to Deposit Account No. 03-4075 (Atty. Docket No. 1363).

Respectfully submitted,

Date: June 22, 2007
